

Virgil Carl Hogoboom, Jr. II

1941 - 2022

Virgil Carl Hogoboom Jr. II (Junior), 80, El Dorado, Kansas was born May 18, 1941 to Virgil Sr and Mary (Cundell) Hogoboom, but was raised by Virgil Sr and Sarah Faye Hogoboom (which Virgil considered his mother). Virgil departed this life on February 4, 2022 at St. Francis Hospital.

Virgil spent his childhood in El Dorado, Kansas and went to Oil Hill School (1959). He joined the Army (1959-1964) and was stationed in Germany, where he became a cook. In October 1964 is when Virgil met Florence in Buffalo, Missouri. Where they met on a blind date and were married a week later. Virgil and Florence were married on October 23, 1964 in Tunas, Missouri.

Mr. Hogoboom began his career in the oil industry working for Hogoboom Oilfield Trucking Company. In 1965, he entered into a partnership with his father, Virgil Sr., and formed Hogoboom Ditching Service. He continued working for the industry with Jayhawk Pipeline from 1990 until his retirement in 2002.

Virgil's life was always about spending time with his family. He enjoyed going Elk hunting in Colorado to deer hunting in Missouri. He enjoyed going fishing and

spending time at the cabin in Clements, Kansas. Virgil was a hard-working man, and would give the shirt off his back to anyone that needed it. Anyone that knew Virgil knew what kind of person he was, and of course how ornery he could be. You never knew what was going to come out of his mouth.

Virgil was inducted into the Butler County Historical Society, Home of the Kansas Oil Museum on April 16, 2010.
