

Harry Litwin
1907 - 2007

Mr. Litwin was born in London, England in 1907 to Russian immigrants. He grew up in Kansas City and received a bachelor's degree in Chemical Engineering from the University of Illinois. He was hired in 1930 as a process engineer by Winkler-Koch Engineering of Wichita, Kansas. He became President of Koch Engineering in 1945. Mr. Litwin established Litwin Engineering in 1954. He was a well-known patron of the arts and embodied entrepreneurial spirit in most everything he did.
