

Thomas E. Wilkinson

1932 - 1994

Tom was born in Eureka, KS. In 1951, he was a well puller with Madison Well Service. In 1974, after military service, Tom repaired and sold oilfield supplies. A little later, he added a pipe testing venture while working at Cities Service Co. He started Midwest Supply Co. in El Dorado, KS. His 1st drilling lease was the Ferrell. In 1980, he started drilling the Boyer lease. In addition, Tom was a great supporter of the Kansas Oil Museum and donated stock tanks for the outdoor exhibits.
